

Meditative moisturisers

SpaRitual's three new organic moisturising lotions are great for manicure, pedicure and body services, as well as retailing. Each product contains 83 per cent certified organic ingredients to deeply nourish dry skin and complement the scents of SpaRitual's 21 existing mineral bath salts. There's Look Inside, with frankincense oil, Open Your Eyes, with eucalyptus oil, and Close Your Eyes, with geranium oil. SpaRitual uses vegan ingredients including many wildcrafted or organic plant essences. SpaRitual treatment products are free of synthetic dyes and parabens, and are biodegradable. **Contact: Dolce Vita Beauty Supplies (07) 5564 6720.**

Soothe sensitive skin

Perfect Potion's newest addition to its Green Tea and Jasmine range is a body lotion rich in antioxidant green tea with a sensual jasmine scent. It also contains sweet orange and organic jojoba and is ideal for soothing dry, sensitive, irritated skin. In aromatherapy, jasmine is thought to uplift emotions and enhance self confidence, while sweet orange has a cheerful, refreshing nature. **Contact: Perfect Potion 1800 988 999.**

SPA BODY

JUST WILD ABOUT SAFFRON

OmVeda's new Saffron Oil boasts anti-oxidant properties and helps minimise wrinkles, reduce pigmentation and diminish pimples while giving a glow to the skin. It combines anti-oxidant and anti-inflammatory turmeric, rich in natural vitamin C, to help neutralise toxins, brightening and strengthening the skin, while reducing lines and wrinkles. It also contains aloe vera to soothe, manjishta to stimulate circulation, calming lotus, vitamin E and C-rich rose, astringent sapanwood and Indian rose chestnut to help ease skin irritations.

BALANCING ACT

Li'Tya has launched a Botanical Balance Skincare Duo, Lillipilly Facial Gel Cleanser and Cherry Alder Hydrating Gel; that target T-zone shine and acne-prone skin with the antiseptic and antioxidant properties of native lillipilly berries, harvested organically. Native Cherry Alder is rich in antioxidant vitamin C and fruit acids that renew and protect skin from oiliness and breakouts caused by environmental factors. Rose geranium and lemon myrtle essentials oils refresh and rejuvenate the skin. They are also available in travel size.
